

General merit list of students who appeared in Super-50 Civil Services

1.)Whereas, the selection list which was published by this Directorate few days back was taken off because this directorate received representations from the candidates alleging therein that some selected candidates have wrongfully mentioned their qualification as 10+2 while as they are actually graduates and vice versa.
2.)Taking cognizance of the complaints, this directorate has decided to publish the general merit list so that genuine candidates are selected, as per merit, in a transparent way.
3.)Therefore the general merit list is published for the information of the stake holders and shall be available on the Directorate's website www.dsek.nic.in
4.)In case any candidate has a grievance regarding the qualification and merit mentioned in the list, he/she may submit a representation in the Innovation Cell of this Directorate within 4 days from the date of publication of this list on departmental website as given above. Thereafter no representation shall be entertained and the selection list will be drawn strictly as per norms and after authentication of the documents to be submitted by the selected candidates at the time of registration for which a separate date will be notified.
